Our 2015 BCE Read-a-thon was an incredible success -- another record-breaking event! Congratulations and thanks to our children for reading an amazing 733,000 minutes in just one week, and for helping raise nearly \$130,000 for our schools. That's about a 40% growth from last year in fundraising results and over a 20% increase in minutes read. We appreciate every donor who sponsored a student to read, and our fantastic BCE Read-a-thon volunteers who made it all possible:
